

Remarks

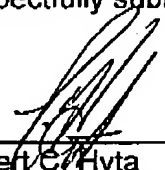

Claims 72-77 have been allowed.

Examiner Logie has requested that a substitute specification be provided that does not include spectra A-D. A substitute specification and drawings is provided herewith. The substitute specification is free of the spectra A-D which have been added as drawings to facilitate printing of this application upon payment of the issue fee.

The undersigned is available for telephone consultation at (509) 624-4276 Monday through Friday between 8-5 (PST).

Respectfully submitted,

Dated: 8/1/08
